

With distant views of the capital St George's, across the shimmering waters of Tamarind Bay, the Grenadian by rex resorts has one of the most enviable locations in all of Grenada. The palladian-style ambience is enhanced by extensive landscaped gardens, a natural lake, fabulous swimming pool and two spectacular palm-fringed, white sand Caribbean beaches.

Rooms

Hillside Rooms are situated in a 3-storey detached building reached by sloping path from main lobby

Seaview Rooms are accessed by steps or stairs from the lobby & have views of the sea across the resort

Beachfront Rooms are in detached 3-storey buildings overlooking Pink Gin Beach with steps to the main facilities

Garden Rooms are luxuriously furnished with sweeping views across the gardens & lake

Garden Suites are larger with steps down to a seating area

Deluxe Suites have a separate living room & fabulous sea views

Each of our 211 air-conditioned rooms & suites are comfortably furnished with king or twin beds, bathroom, hairdryer, mini-fridge, cable television & either a patio or balcony
