

REX RESORTS STRICTLY PROHIBITS THE USE OF UNMANNED AERIAL VEHICLES (UAV) / DRONES ON ANY PROPERTY.

Please respect the privacy and peace of our guests by not flying or operating drones within or above any rex resorts property.

If the use of drones is present in our grounds or above our properties please report this immediately to staff members.

This activity is DANGEROUS wherein our resorts are in the vicinity of an airport.

We thank you for your understanding and support.
